## Goals

Increase contribution made by horticulture/agriculture to poverty alleviation in ACP countries

Facilitate access to markets in the face of changing regulatory & commercial requirements

Safeguard the position of SMEs & smallholders

Disseminate benefits from global to local/regional markets

## Smallholder Participation

2 decades of major change in agriculture, food production & trade

### *The challenge:*

- *maintaining access to markets*
- *finding the right mechanisms, tools and support*
- *ensuring positive impacts on poverty alleviation & food security*
